

Military Child Care in Your Neighborhood (MCCYN) DoD Parent Fees

This handout provides the Total Family Income (TFI) Category definitions, the DoD monthly parent fees for full-time and part-time care, the provider rate cap for each, and the list of high cost installations for FY24.

Total Family Income Categories

The family's annual TFI determines the TFI Category. Sponsors should also check the MCCYN page (<http://www.MilitaryChildCare.com/MCCYN>) for any income restrictions that may apply for their specific program.

TFI Category	Annual TFI
I	\$1 – \$45,000
II	\$45,000 – \$55,000
III	\$55,001 – \$65,000
IV	\$65,001 – \$77,500
V	\$77,501 – \$90,000
VI	\$90,001 – \$102,500
VII	\$102,501 – \$115,000
VIII	\$115,001 – \$130,000
IX	\$130,001 – \$145,000
X	\$145,001 – \$160,000
XI	\$160,001+

Full-Time Monthly DoD Parent Fees*

Families are responsible for the monthly parent fee which is based on their TFI Category and whether the sponsor's assigned installation is in a high cost area. The provider rate cap effective for fees charged for full-time care is \$1,800 per month. Families are responsible for their monthly DoD parent fee **plus** any additional cost if their provider charges more than \$1,800 per month.

Meal allowance

A pilot initiative will be effective on 1 April 2024 to provide a meal allowance to DoD families who receive full-time care from the Military Child Care in Your Neighborhood (MCCYN) program. If lunch or formula **isn't included** in the provider fee, this pilot will reduce your DoD parent fee by \$100 monthly if you provide lunch or formula for your child. If lunch or infant formula **is included** in the provider fee AND your provider fee is more than \$1,800 monthly, the provider cap will increase to \$1,900 monthly. This will result in a higher fee assistance amount.
